Our mission is to provide the highest quality, affordable chiropractic care. With dedication, we promote a better quality of life.

I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and me. I clearly understand and agree that all services rendered me are charged directly to me and that I am personally responsible for payment. I also understand that if I suspend or terminate my care and treatment, any fees for professional services rendered me will be immediately due and payable. I hereby authorize Goble Heal Chiropractic to release any information to my insurance company/attorney acquired in the course of my examinations or care. I understand that a photocopy of the above assignment and authorizations will be deemed as valid as the original. **I have also been notified of my privacy rights through the HIPAA privacy laws. (see Notice of Information Practices and Privacy Statement) TERMS OF ACCEPTANCE** When a patient seeks chiropractic health care, and when a chiropractor accepts a patient for such care, it is essential that both are seeking and working for the same goals. Chiropractic does not diagnose or treat disease. Chiropractic has only one goal: *to locate, analyze, and correct spinal interference to the nervous system (nerve pressure)*. The purpose of the nervous system is to control and coordinate all bodily function. Interference to this master system automatically produces improper function in the body. The SUBLUXATION (*spinal misalignment producing nerve interference*), in and of itself, is a detriment to life and health. Correction of the subluxation through a specific chiropractic adjustment, allows the body to function at its optimum level. This allows the inborn healing power of the body to work at maximum efficiency to restore, maintain and promote natural health. We do not diagnose condition(s) or disease(s) other than vertebral subluxations. We offer no treatment of condition(s) or disease(s) other than vertebral subluxations. We promise no cure from any condition(s) or disease(s).

I, _____, having read the above statement, and understanding it fully, do undertake chiropractic health care on this basis.
